justify the shipments. This is the more remarkable country is the largest on record. Naturally gold ought to be flowing toward this country, but it is still leaving it, and the end of the movement cannot be predicted. Europe is withdrawing its capital slowly but steadily because it is losing faith in the stability of the currency and in the wisdom of financial and economic legislation.

There were no transactions in Government bonds at the Stock Exchange, but the market was firm in tone. Pinai quotations were as follows:
